Song

Dancing is good, dancing is fine,
Dancing is great!
Come on, children! Dance in line!

First, second, third and fourth,
Dance, dance across the floor.
Fifth, sixth, seventh, eighth,
Jump, kick, don't come in late.
Nineth, tenth, eleventh, twelfth,
Dancing is good for your health.

Dancing's good, dancing's fine,
Come on, children! Dance in line!

Number five's first,
And number ten's last.
He can't hop and skip,
He can't get past.

Dancing is good, dancing is fine,
Dancing is great!
Come on, children! Dance in line!
