You shouldn't drop your rubbish,
 You should put it in a bin.
 You shouldn't leave it on the ground,
 You should clean up everything.
 Here comes the bear, here comes
 the bear!
 It's coming for your tea!
 Should I move or should I stop?
 Should I climb that tree?
 I should do something now.
 That bear is after me.

You shouldn't go across the field,
 You should walk around.
 You shouldn't go too near
 that cow,
 It can push you to the ground.
 You should run, you should run,
 You should jump quickly.
 Should I move or should I stop?
 Should I climb that tree?
 I should do something now.
 That cow is after me!
