We love sport, swimming, sailing, running!
We love sport,
We love to do it all.

We've skied down a mountain,
 We've climbed up a rock,

We've played golf with grandma,
 We've raced against the clock.

We've skated in the park,
 We've made a ball to throw.

We've played badminton and tennis,
 We've sledged in the snow,

Some like playing football,
 Some like watching it.

We love sport, swimming, sailing, running!
We love sport,
We love to do it all.
