# Unit 8 Song

We've just finished school,  
our holiday's begun.

We've done our last exam,  
now we're, we're going to have fun.

We've just put away our books,  
and we've tidied our desks.

We've played in the in the park  
and we've been to the zoo.

So we're all going home.  
It's time to have a rest!

Yes, it's holiday time!  
Time to have a break.  
Yes, it's holiday time  
and we're all feeling great.

We've already bought  
some summer clothes too.

But we haven't packed our suitcase  
and we're going to go away

To swim in the sea  
and sleep and play all day.

Yes, it's holiday time ...
