## Song

The world isn't mine,  
The world isn't yours.  
The world isn't his,  
The world isn't hers.  
It's ours, it's ours!

Our world is tired, we're making mistakes,  
We need our seas, we need our lakes.  
Our world is weak, we can make it strong,  
It needs our help. Listen to our song.  
We must look after its forests and trees,  
We must look after its rivers and seas.  
We can make it better, we can make it green,  
This is our world, let's keep it clean.  
This is our world, let's keep it

The world isn't mine ...
